ORDERING HOSE ADAPTORS

Specify Hose I.D. Swivel hose adaptor sizes: 5/8", 3/4" hose barb and 3/4" female garden hose fitting.

* Contains all internal working parts, and is normally all that is required to rebuild nozzle.

INSTRUCTIONS FOR SERVICING

- 1). **Remove rubber cover** by slipping cover off the back, and then pulling forward over the front of nozzle. If replacing, soak new cover in warm soapy water (liquid detergent).
- 2). **Remove lever bolt & bushing** (3) then pull out lever (2).
- 3). **Unscrew** end adaptor (6), then remove barrel assembly (7) with thrust collar (5).
- 4). **To insert** new barrel assembly, simply reverse procedure.

HOT AND COLD WATER USE ONLY. NOT SUITABLE FOR USE ON STEAM.
